Welcome!

Fellow alumni and friends:

I'm excited to present the *Alumni Bulletin*. With support from the Office of Development & Alumni Relations, the Alumni Association is connecting with alumni, here at home and on the road, through a full slate of events and programs!

Thank you to all who attended our reception at the 103rd Annual AAP Meeting in Boston. For those of you who missed it, we encourage you to stop by our booth at the Greater New York Dental Meeting (GNYDM); attend **alumni receptions** at the GNYDM, Greater Long Island Dental Meeting (GLIDM), and the CDS Midwinter Meeting in Chicago; join us for any or all of our upcoming **Alumni Series** presentations; reconnect with classmates at **Reunion in the Spring** for alumni with graduation years ending in an 8 or a 3; or celebrate your 50th reunion at our **Golden Circle Luncheon** for alumni from the Class of 1968 and earlier.

There are many ways to stay connected with classmates and faculty, and to support NYU Dentistry:

- Mentor a student, attend a career brunch, or host a student shadowing day at your practice.
- Attend one (or more) of our planned receptions, or check out our Alumni Series.
- Become a Class Representative for your upcoming Reunion.
- Join the Alumni Association, make an impact, and share your ideas.
- Send us a "Class Note" including your personal and professional milestones.
- Support our students by making a donation to the College's Annual Fund or an area that is most meaningful to you!

Finally, make sure your contact information is up to date!

Fill out the attached reply form, or contact us at dental.alumni@nyu.edu and 212.998.9223.

I hope to hear from you soon or, better yet, to meet you at one of our many events this season.

Sincerely,

William Bongiorno, DDS '73
President, NYU Dentistry Alumni Association
